DISCOVER THE SECRETS OF LIVING YOUR DREAM.....

Thank you for responding to our recent ad or letter. If you have ever dreamed of gaining permanent American residency, then you need look no further. TIMING IS EVERYTHING.....

BACKGROUND TO THE DV-2009 GREENCARD VISA LOTTERY PROGRAM

The United States Government is sponsoring a Diversity Visa Lottery for the fiscal year 2007. Under the program, permanent resident visas will be issued to persons from parts of the world that have low immigration rates to the US - that is, less than 50,000 immigrants from any one country in the last five years in the regular visa categories.

THE DV-2009 PROGRAM

The US Government's Greencard visa lottery program will provide 50,000 permanent resident visas to persons born in all countries except those mentioned in the eligibility section. All successful entries received at the US Consular Centre during the special 'mail-in' period will be individually numbered and entered into the draw. Entries will be selected at random by computer and each correctly filed application, received on time, will have an equal chance of being selected.

ELIGIBILITY

To qualify you must satisfy the following requirements:

1) An applicant must have been born in a qualifying country. It is based on your Nativity (birth country) not citizenship or residency. If however, you were not born in a qualifying country but your spouse, mother or father were born in a qualifying country, then you may enter based on a claim to their nativity (country of their birth).

Persons from ALL countries qualify to take part in the US Government's visa lottery program except the following: Brazil, Canada, China (mainland-born), Colombia, Dominican Republic, El Salvador, Haiti, India, Jamaica, Mexico, Pakistan, Peru, the Philippines, Poland, Russia, South Korea, the United Kingdom and its dependent territories (Anguilla, Bermuda, British Virgin Islands, Cayman Islands, Falkland Islands, Gibraltar, Montserrat, Pitcairn, St. Helena, Turks & Caicos Islands) and Vietnam. If you were born in these countries you cannot participate in the Diversity Program this year. *Persons born in Hong Kong S.A.R, Taiwan and Northern Ireland are eligible this year.*

2) Applicants must have at least a high school education or its equivalent. Or within the last five years, have had two years of work experience in an occupation that requires at least two years of training or experience.

SELECTION PROCESS

Only one application may be made per candidate. Duplicate entries are immediately disqualified. Husbands, wives and teenage children (18+), may enter individually. Only successful registrants are notified by the US State Department. Successful registrants will receive their notification by mail, between 1st April & 31st July 2008. Processing of the 2009 visas begin in October 2008. Visas are issued to all eligible family members (spouse or children under 21) by September 2009.
